

2020 PSL INFORMATION

For 2020, Hollandia Soccer Club and Saskatoon United Soccer Club will once again be partnering to enter teams into the Provincial Soccer League. The format for this season will be slightly different than last year. Together we will be offering PSL for Under 13 Boys, Under 13 Girls, Under 15 Boys, & Under 15 Girls. However, we will not be offering Under 17 Boys or Under 17 Girls teams this season. Players in Under 17 that wish to play PSL may play for another zone without release.

In addition to working together, we have chosen to partner with additional clubs for certain age groups to ensure that we are able to provide a competitive and enjoyable environment.

This season, each age group will have a designated host zone that will be responsible for managing the season logistics including registrations, payments, and running evaluations. Technical decisions will continue to be made for each team by a committee with representatives from each zone with player representation on the team.

Transfers

Players residing in Hollandia or SUSC who are wishing to play for a team not listed in this document hosted by another zone must evaluate with the Hollandia United team as well. Players who are released will be refunded the evaluation fee.

Evaluations

Evaluations will be held in March. To register for evaluations, there will be a \$20 fee that will help cover facility costs. This fee must be paid before the player will be permitted to participate in evaluations. Refer to age group specific information for further details on evaluations.

Fees

Registration fees are still to be determined and will be announced by the host zone prior to team selections being announced. It is anticipated that registration fees will be between \$350-\$400 for the season. Registration fees will cover uniforms, SSA registration fees & game fees, and administrative fees. In addition to registration fees, each team will have team fees calculated by the team manager to include additional costs such as social events and coach travel expenses.
